

Plants for a fynbos garden with winter-rainfall, acidic soils derived from sandstone, shale or granite and with an open, sunny aspect (i.e. gardens situated on slopes or foothills of mountains in the Western Cape). Most of these plants are indigenous to the winter-rainfall area and can be considered **water-wise in the Western Cape**, needing little or no additional water in summer, once established.

Proteaceae

Aulax spp.
Diastella spp.
Leucadendron spp.
Leucospermum spp.
Mimetes spp.
Paranomus spp.
Protea spp.

Ericaceae

All winter rainfall species

Restios

Askidiosperma spp.
Calopsis spp.
Cannomois spp.
Ceratocaryum spp.
Elegia spp.
Restio spp.
Rhodocoma spp.
Staberoha spp.
Thamnochortus spp.
Wildenowia spp.

Buchus

Acmadenia spp.
Adenandra spp.
Agathosma spp.
Coleonema spp.
Diosma spp.
Euchaetis spp.

Climbers

Clematis brachiata
Jasminum angulare
Jasminum glaucum
Jasminum multipartitum
Senecio macroglossus
Senecio tamoides
Thunbergia alata

Shrubs

Anisodonteia scabrosa
Athanasia crithmifolia
Athanasia dentata
Athanasia trifurcata
Berzelia galpinii
Berzelia lanuginosa
Brunia albiflora
Brunia nodiflora
Buddleja saligna
Buddleja salviifolia
Osteospermum moliliferum (= Chrysanthemoides monilifera)
Coleonema album (buchu)
Coleonema pulchellum (buchu)
Eriocephalus africanus
Eriocephalus ericoides
Euryops abrotanifolius
Euryops pectinatus
Euryops speciosissimus
Euryops virgineus
Freylinia crispa
Freylinia densiflora
Freylinia helmei
Freylinia lanceolata
Frelinia longiflora
Freylinia undulata
Gnidia oppositifolia
Gnidia squarrosa
Halleria elliptica
Indigofera langebergensis
Liparia splendens
Liparia laevigata
Lobostemon montanus
Melianthus comosus
Melianthus elongatus
Melianthus major
Metalasia aurea
Metalasia muricata
Morella quercifolia
Muraltia heisteria

Muraltia spinosa (= Nylandtia spinosa)
Oedera imbricata
Osyris compressa
Penaea mucronata
Phylica buxifolia
Phylica ericoides
Phylica pubescens
Podalyria calyptrata
Podalyria sericea
Polygala fruticosa
Polygala myrtifolia
Polygala virgata
Pseudoselago serrata
Psoralea pinnata
Searsia spp.
Salvia africana–caerulea
Salvia chamelaeagnea
Salvia lanceolata
Struthiola ciliata
Struthiola dodecandra
Struthiola striata

Herbaceous Perennial

Arctotis spp.
Ballota africana
Chaenostoma cordatum
Chaenostoma hispidum
Chironia baccifera
Chironia linoides
Chrysanthemoides incana
Chrysocoma coma-aurea
Cineraria saxifrage
Cliffortia ferruginea
Cliffortia obcordata
Dianthus caespitosus
Felicia aethiopica
Felicia bergerana
Felicia filifolia
Gazania spp.
Geranium incanum

Helichrysum cymosum
Helichrysum dasyanthum
Helichrysum patulum
Helichrysum petiolare
Helichrysum splendidum
Hermannia grandiflora
Hermannia saccifera
Heterolepis aliena
Lachnaea eriocephala
Leonotis leonurus
Lessertia frutescens
Limonium peregrinum
Linum africanum
Linum quadrifolium
Lobelia cuneifolia
Lobelia pinifolia
Monopsis lutea
Monopsis unidentata
Orphium frutescens
Osmitopsis osmitoides
Otholobium virgatum
Pelargonium betulinum
Pelargonium citronellum
Pelargonium cordifolium
Pelargonium cucullatum
Pelargonium greytonense
Pelargonium hispidum
Pelargonium panduriforme
Pelargonium peltatum
Pelargonium
pseudoglutinosum
Pelargonium quercifolium
Pelargonium scabrum
Pelargonium zonale
Salvia muirii
Scabiosa africana
Scabiosa columbaria
Selago canescens
Selago corymbosa
Selago geniculata
Selago myrtifolia
Seriphium plumosum (=Stoebe plumosa)
Syncarpha argyropsis
Syncarpha vestita
Ursinia abrotanifolia
Ursinia sericea

Succulents

Aloe arborescens
Aloe commixta
Aloe ferox
Aloe perfoliata
Aloe plicatilis
Aloe succotrina
Bulbine frutescens
Bulbine latifolia
Carpobrotus edulis
Cotyledon orbiculata
Euphorbia caput-medusae
Gasteria spp.
Lampranthus spp.
Orbea variegata
Oscularia deltoides
Plectranthus spicatus
Portulacaria afra
Ruschia spp.

Bulbous Plants

Agapanthus africanus
Agapanthus praecox
Albuca longibracteata (= Ornithogalum longibracteatum)
Amaryllis belladonna
Aristea capitata
Babiana spp.
Chasmanthe floribunda
Freesia alba
Gladiolus brevifolius
Gladiolus bullatus
Gladiolus carinatus
Gladiolus carneus
Gladiolus caryophyllaceus
Hesperantha bachmannii
Hesperantha cucullata
Ixia campanulata
Ixia dubia
Ixia viridiflora
Kniphofia praecox
Kniphofia uvaria
Lachenalia aloides
Lachenalia mathewsii

Lachenalia viridiflora
Moraea aristata
Moraea loubseri
Nerine sarniensis
Ornithogalum dubium
Ornithogalum maculatum
Ornithogalum thyrsoides
Oxalis purpurea
Sparaxis grandiflora
Veltheimia bracteata
Wachendorfia thyrsiflora
Watsonia aletroides
Watsonia borbonica
Watsonia coccinea
Watsonia marginata
Watsonia pillansii
Watsonia tabularis
Zantedeschia aethiopica

Trees

Brabejum stellatifolium
Brachylaena elliptica
Brachylaena neriifolia
Buddleja saligna
Canthium inerme
Cassine peragua
Celtis africana
Cunonia capensis
Curtisia dentata
Diospyros whyteana
Ekebergia capensis
Halleria lucida
Kiggelaria africana
Maytenus oleoides
Metrosideros angustifolius
Olea europaea subsp. africana
Podocarpus elongatus
Rapanea melanophloeos
Searsia pendulina
Sideroxylon inerme
Tarchonanthus camphoratus
Tarchonanthus littoralis
Virgilia divaricata
Virgilia oroboides
Widdringtonia spp.
